Personal information

My name is Sebastian and I'm 24 years old, currently living in south of Sweden, Växjö. I live in an apartment by myself, located close to the city centre of Växjö.

Personal objectives

My goal is to achieve new heights by challenging myself and acquiring new knowledge and skills. I want to surprise both myself and others by being innovative and providing a high level of performance in all kinds of situations. I strive to evolve as a person, both socially and personally.

My aim in the future is to find a profession which I will find highly educational and interesting and one that gives stimulation on all scenes.

Qualites

I'm social, loyal and helpful. I always tend to see things with positive eyes and I'm also caring, principled and reflective.
